Among the claims bonded to Mr. Lund and his co-partners are two which deserve special mention—the Log Cabin and the Indiana. The Log Cabin is covered by the townsite of Deer Lodee, and aside from its mineral-producing possibilities it holds the principal water supply of the camp. This claim is also an extension of the Hempire and Bessarabla properties, adjoining the Mammoth claim is also an extension of the Hempire and Bessarabla properties, adjoining the Mammoth which an active compagn of development is new in progress. Notwithstanding the lateness of the season, yesterday was an ideal one for the purpose, and over 300 members of the city's mining fraternity took advantage of the excursion rate offered by the Oregon Short Line railroad and hied themselves into the hills of Mercur, Silver City, Mammoth and Eureka to take another peep into the tunnes, shafts, drifts, inclines and stopes of the numerous properties to which they had pluned their faith.

The train pulled out at 8 o'clock yesterday morning and came back at 7 o'clock last night, a quick run being made in both directions.

A Wonderful Demonstration

At the Odd Fellows Hall Thursday Night.

It was the Private Lecture to Men and the house was packed to suffoca-tion, and great cheers for Mayo shook the building to the foundation when the cripples who had been cured by Mayo appeared upon the stage, jumping, running and stamping their feet like young boys.

MAYO VICTORIES.

Monstrous Parasite Removed, Rheumatic and Paralytic Cripples, and the Nervous, Dyspeptic, Ashmatic, Epileptic and Pleurisy Sufferers cured by their wonderful system of medicines.

Consultation and Examination Free

AT HOTEL KENYON.

MAYO CURES Have puzzled the whole Medical Fraternity because he has completely cured the very patients they have been trying in vain for years to cure. He uses certain secret preparations imported from Europe. His treatment is Quick and Permanent, and he guarantees a cure in every case he undertakes, and gives \$100 for every case he cannot cure. In this way he has made thousands of triends among ever grateful patients who have been cured by his marvelous system of medicines.

Mayo's record as a Healer surpasses that of any other man and the remarkable cures that he has performed show that Mayo's treatment is not only the quickest and absolutely certain, but the cheapest and the best.

The extraordinary cures of various diseases performed by the renowned Mayo treatment has been the talk of two continents, and it as far different from the work of other physicians as the electric light is from the tallow dip. His remedies are all foreign productions. They root out disease, clean the system of all poison germs, revitalize the blood, and raine the sick and weary out of their physical distress and place them among the well people of the earth.

Mayo has over 18,000 sworn testimonials of the most remarkable cures performed in the annals of medical history. He is a regular graduate, receiving his education in the old country, and was an associate of the late Morrel McKenzie.

Mayo's Wonderful Tapeworm Remedy.

Peter Weiman has had a tapeworm for six years, and has tried several times to be relieved, but without avail, Friday evening Mayo's TAPEWORM REMEDY was given to him, and to the astonishment of everybods, in so minutes the tapeworm came, head and all. On examination it proceed to be so feet in length. Mr. Weiman went home the happiest man in the district, having suffered no inconveniences after taking the Tapeworm Remesdy or after the worm was removed. The Tapeworm can be seen at the office of the Hotel Ken-

Broke His Cane.

Calin Angell, suffering with Rheumatism and Paralysis of 32 years' standing, was given the use of his limbs in 40 minutes. Pronounced incurable of Rheumatism by the most celebrated of your medical practitioners—everything known to Alchemy and Chemistry was tried and signally falled. Mayo, the Great Foreign Healer, with the use of Mayo Electric Fluid, in forty minutes imparted to Mr. Angell the use of his limbs, took away all the stiffness inflammation and lameness, and enabled him to walk and Mr. Angell ran down the stairs and up and down the hall among the audience. His cane was broken in pieces and thrown away, and Mr. Angell walked home as spry as when a young man.

A Marvelous Cure.

MAYO Giving the last dose of his wonderful cure for paralysis to the beautiful daughter of Mrs. C. H. Hunter of No.

Rev. Mr. Watson had Asthma for years, suffering greatly with tightness of the chest, a hacking cough and great weakness of the lungs. He was unable to sleep, having to sit up at night, as he could not breathe when lying down. He was given treatment with Mayo's Wonderful Medicines, and now the tightness of the chest is all gone, and Mr. Watson slept all night—which he had not done in years.

Another Cripple Cured.

Mr. Hoffman has been a cripple for 15 years with Sciatic Rheumatism, unable to walk without the ausistance of his crutches, owing to the great pains, stiffness and weakness. Several remedies were applied in full view of the audience Monday night, and to the astenishment of everybody, in 15 minutes Mr. Hoffman was able to walk and stamp his feet without noin. The audience cheered and shouted as Mr. Hoffman walked home without his crutches. Hundreds of people followed him—they could hardly believe their own eye; but it was done. Several doctors said it was the most remarkable thing they ever witnessed.

This was done in view of the audience, so there was no mistake about these cures. The gentleman is well known, having, lived here for years. Mayo has an office in the Hotel Kenyon, where he is assisted by eminent physicians, giving advice and treatment to all sufferers. They guarantee to cure every case they take in hand and give a written contract to that effect. They cure all diseases, such as Rheumatism, Paralysis, Nervousness, Weakness, Dizziness, Pits, Piles, Deafness, Catarrh, Stomach, Liver, Kidney and Biood Disorders, They have quick special treatments for all diseases of men and allments peculiar to women, such as Female Weakness, Falling of the Womb, Backache, etc. Mayo has many secrets not generally known to physicians, which enable him to make extraordinary cures.
